

is coming to your area...

Attention preschool teachers and directors: don't miss this chance to further your education, gain new ideas and insights, and network among peers!!

Preschool Fundamentals: Hands on Training (HOT)

This is Part 2 of the Preschool Fundamentals course which provides gymnastics movement education geared towards teachers, instructors, and coaches working with preschoolers.

This is a live, hands-on training course taught by a National Instructor. Course topics include fundamental movement for children, class safety overview, games, activities to avoid, manipulatives, lesson planning, inclusion of music, thematic teaching, parent/child teaching, and the use of apparatus. This is a great hands-on follow-up to the theory course, with course instructors demonstrating practical examples of many of the concepts taught in Part 1. (It is recommended to take Part 1 – which is offered as an online course - first, but not required.)

Where: Region 4 Congress – Marriott Coralville 300 E. 9th St. Coralville, IA 52241

When: Sunday, July 13, 2008 – 2:00 p.m. – 6:00 p.m.

Who should attend?: Preschool and Recreational teachers, instructors and directors

Why?: This is the new course for preschool teachers through USA Gymnastics University. Take this opportunity to update your training - learn new techniques, games, activities, and more for your classes! And earn credits towards certification through USA Gymnastics.

Cost: \$65 (for professional, junior professional, instructor or athlete members)
\$115 (for nonmembers - the nonmember rate includes a one year instructor membership with USA Gymnastics)

How to Register: Registration information and forms are available online at www2.usa-gymnastics.org/education/pre-fun_index.html

Registration Deadline: June 29th by fax, mail, or phone
July 6th online (members only)

Questions: Contact USA Gymnastics Member Services at 1-800-345-4719
